

waar is je broer, Kaïn?

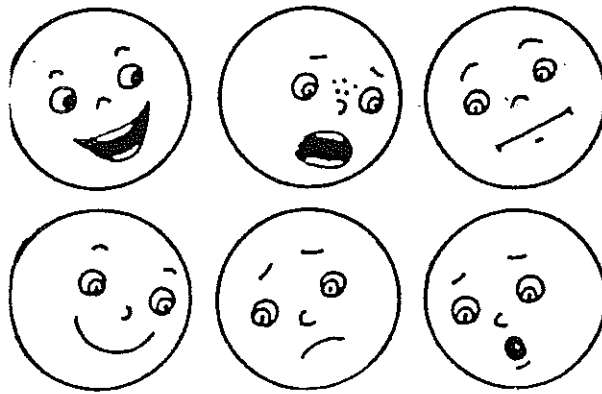

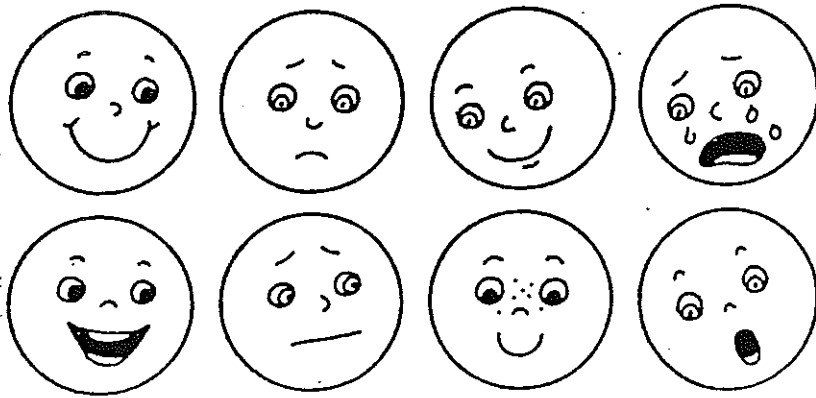

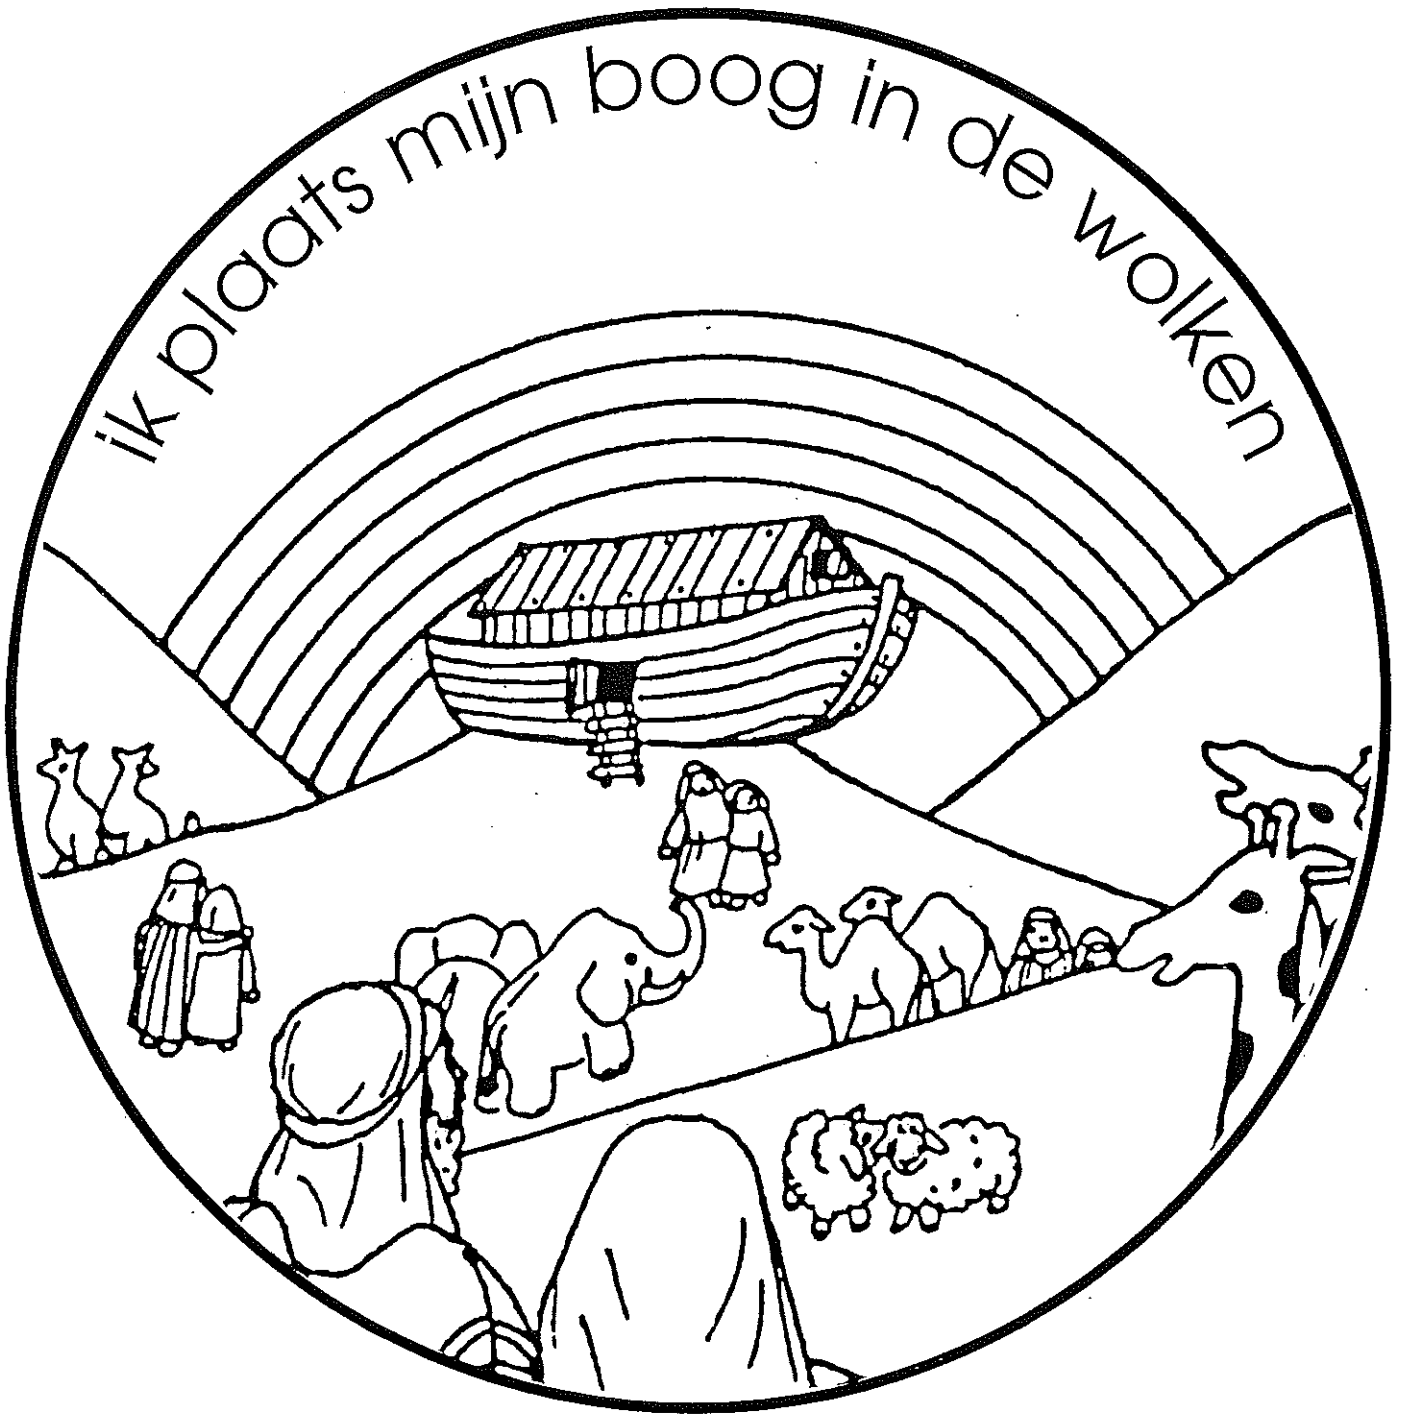

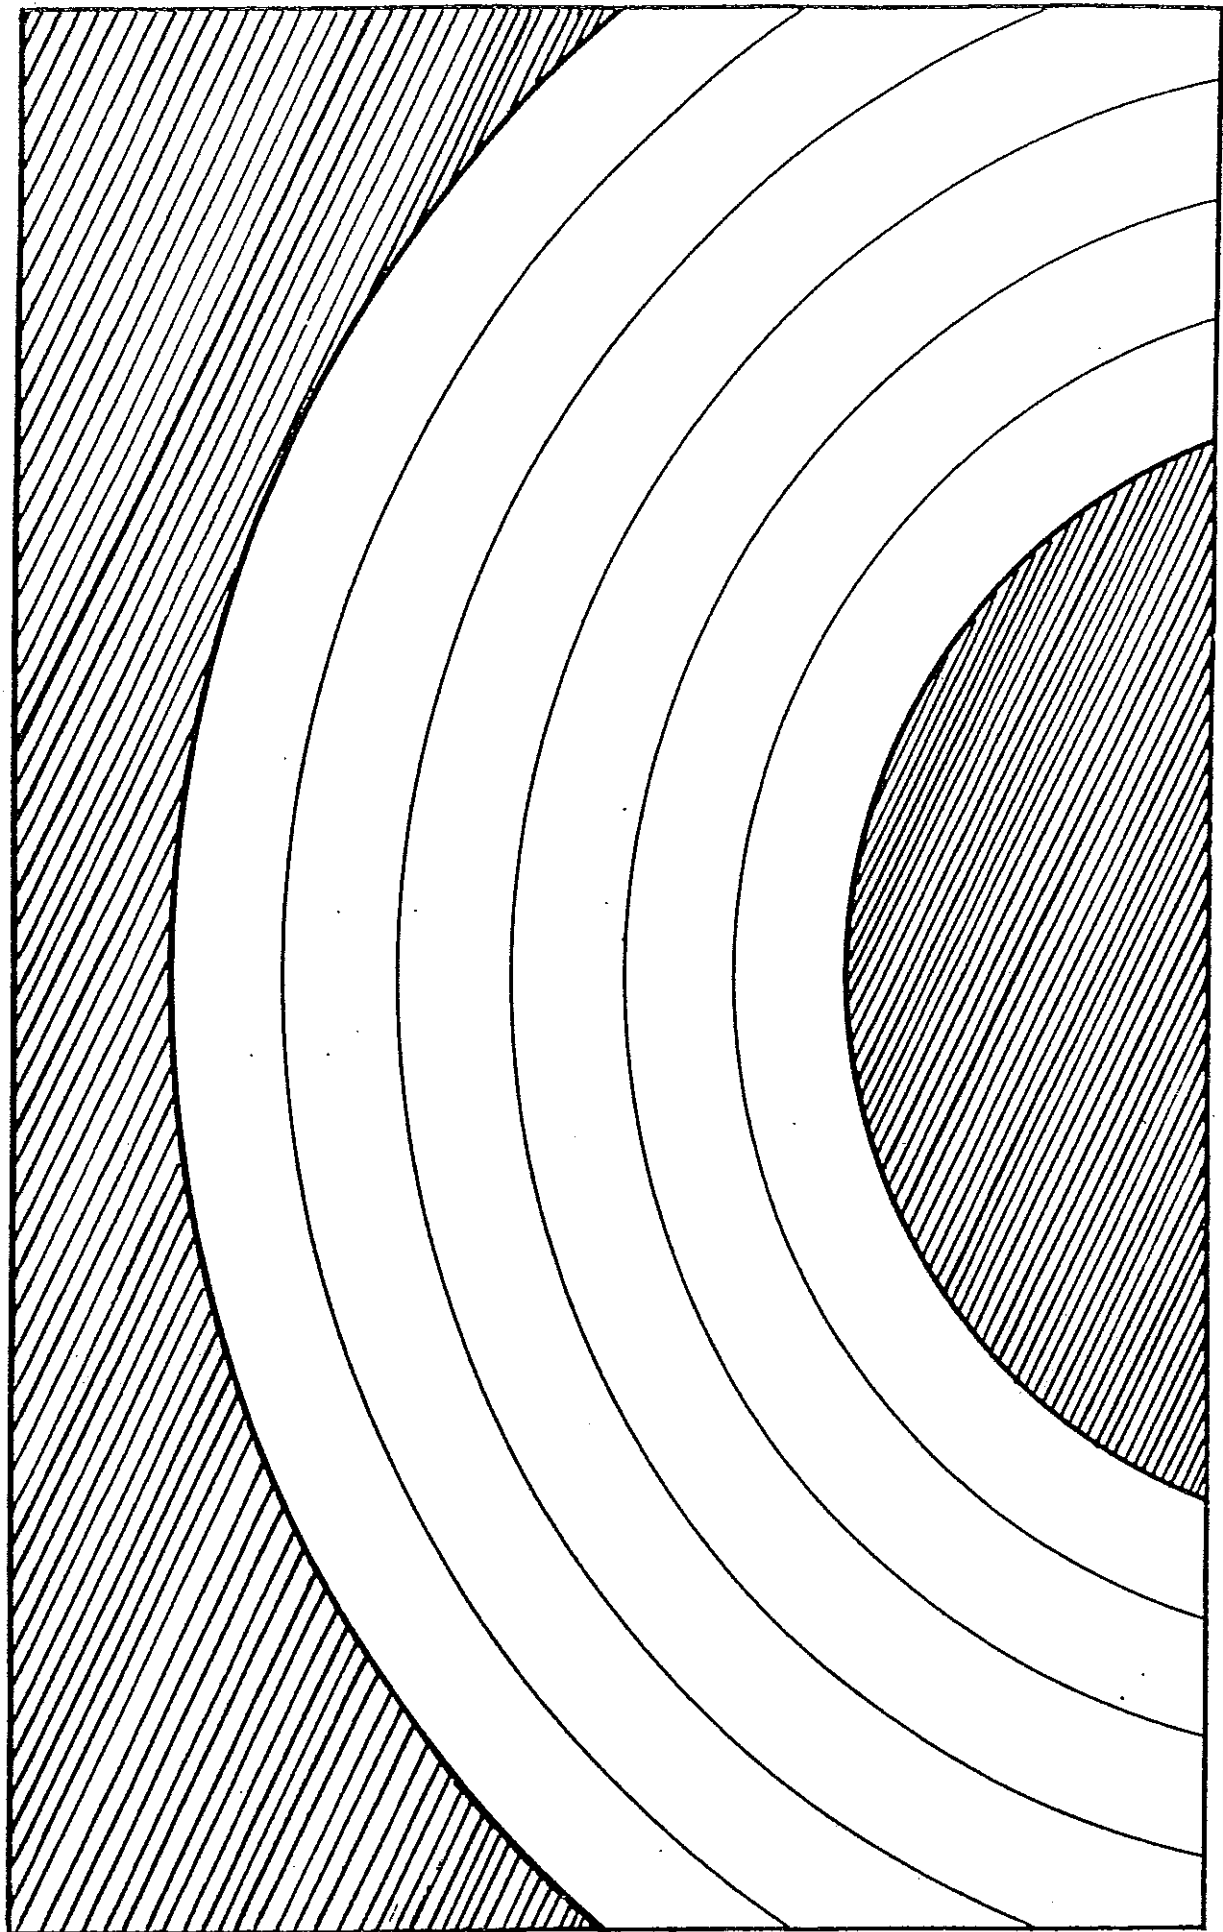

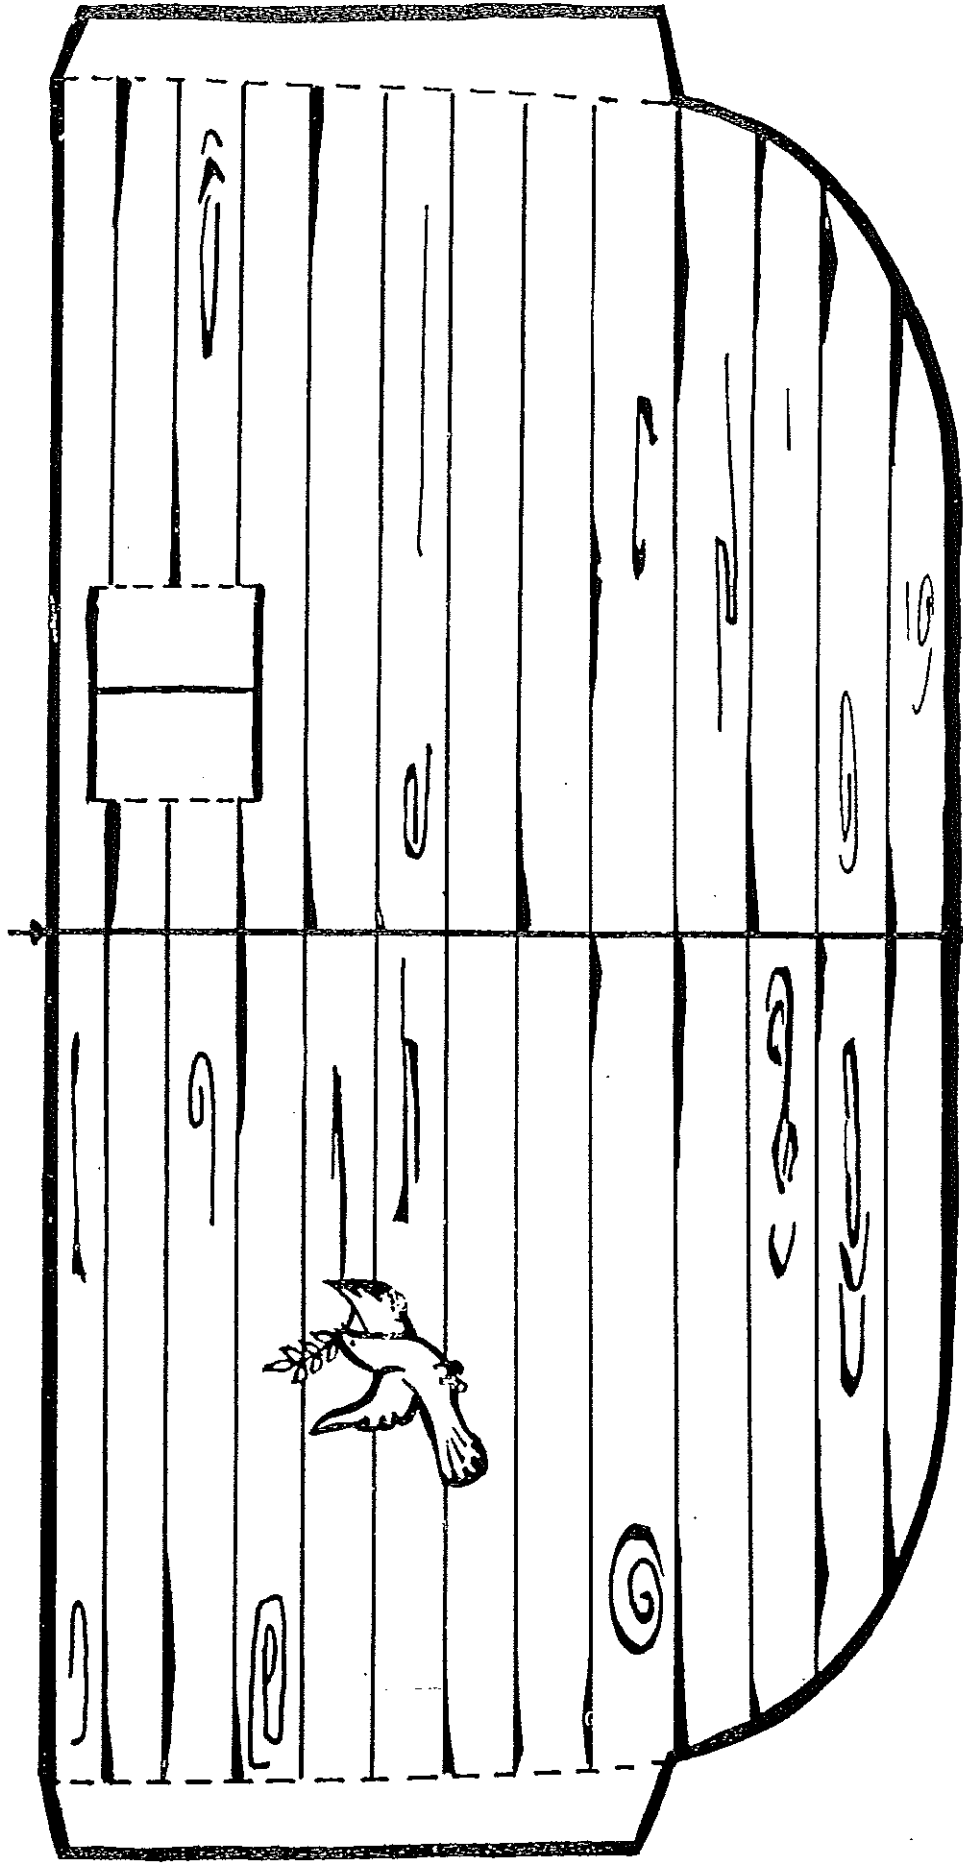

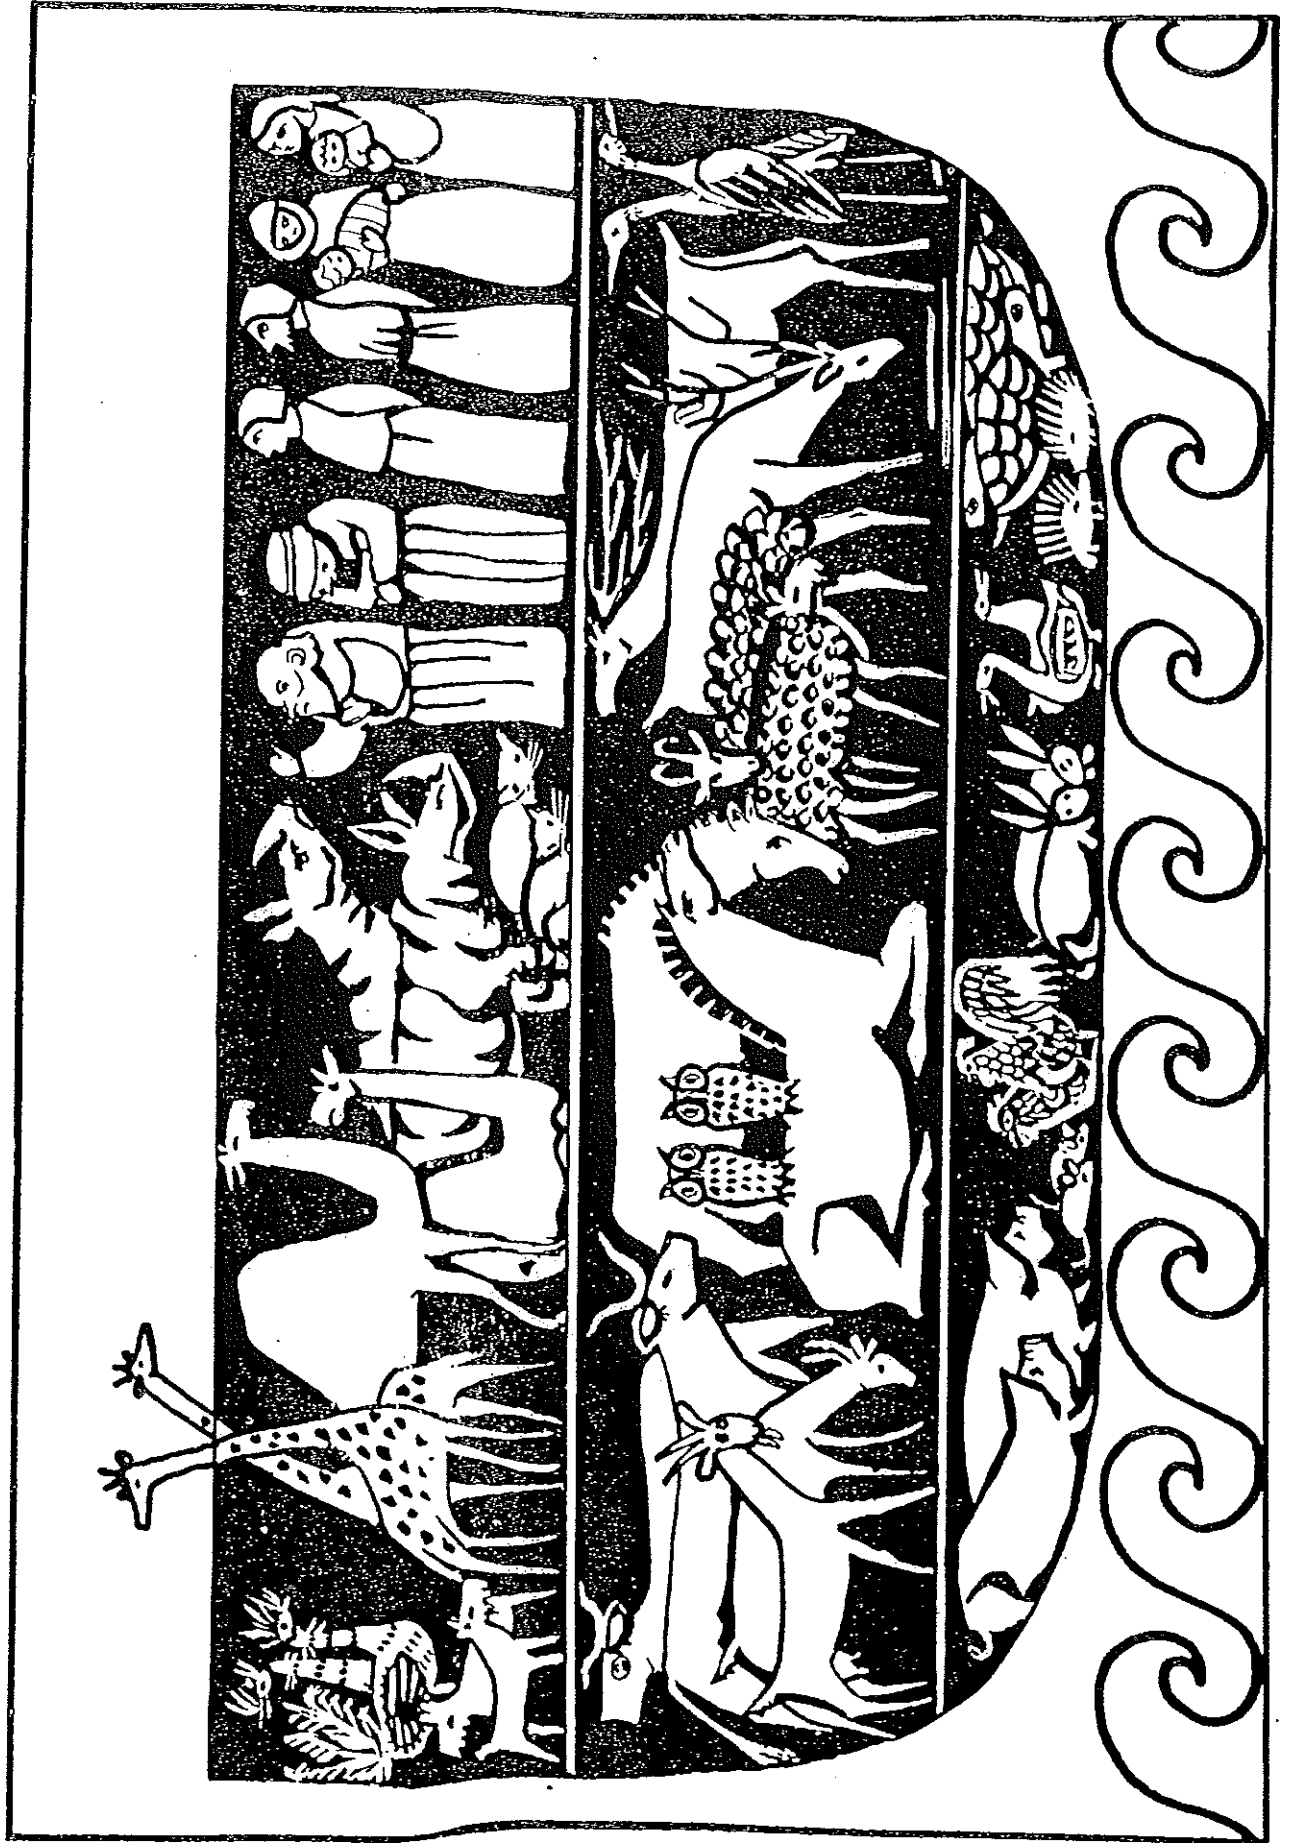

1. teken voor elke kleuter het patroon over op stevig papier
2. laat de kleuters de regenboog kleuren: van boven naar beneden: rood-oranje-geel-groen-blauw-paars

3. laat de gearceerde delen uitknippen; de buitenste rand blijft als een lijst eraan;

4. hang het werkje op met een touwtje

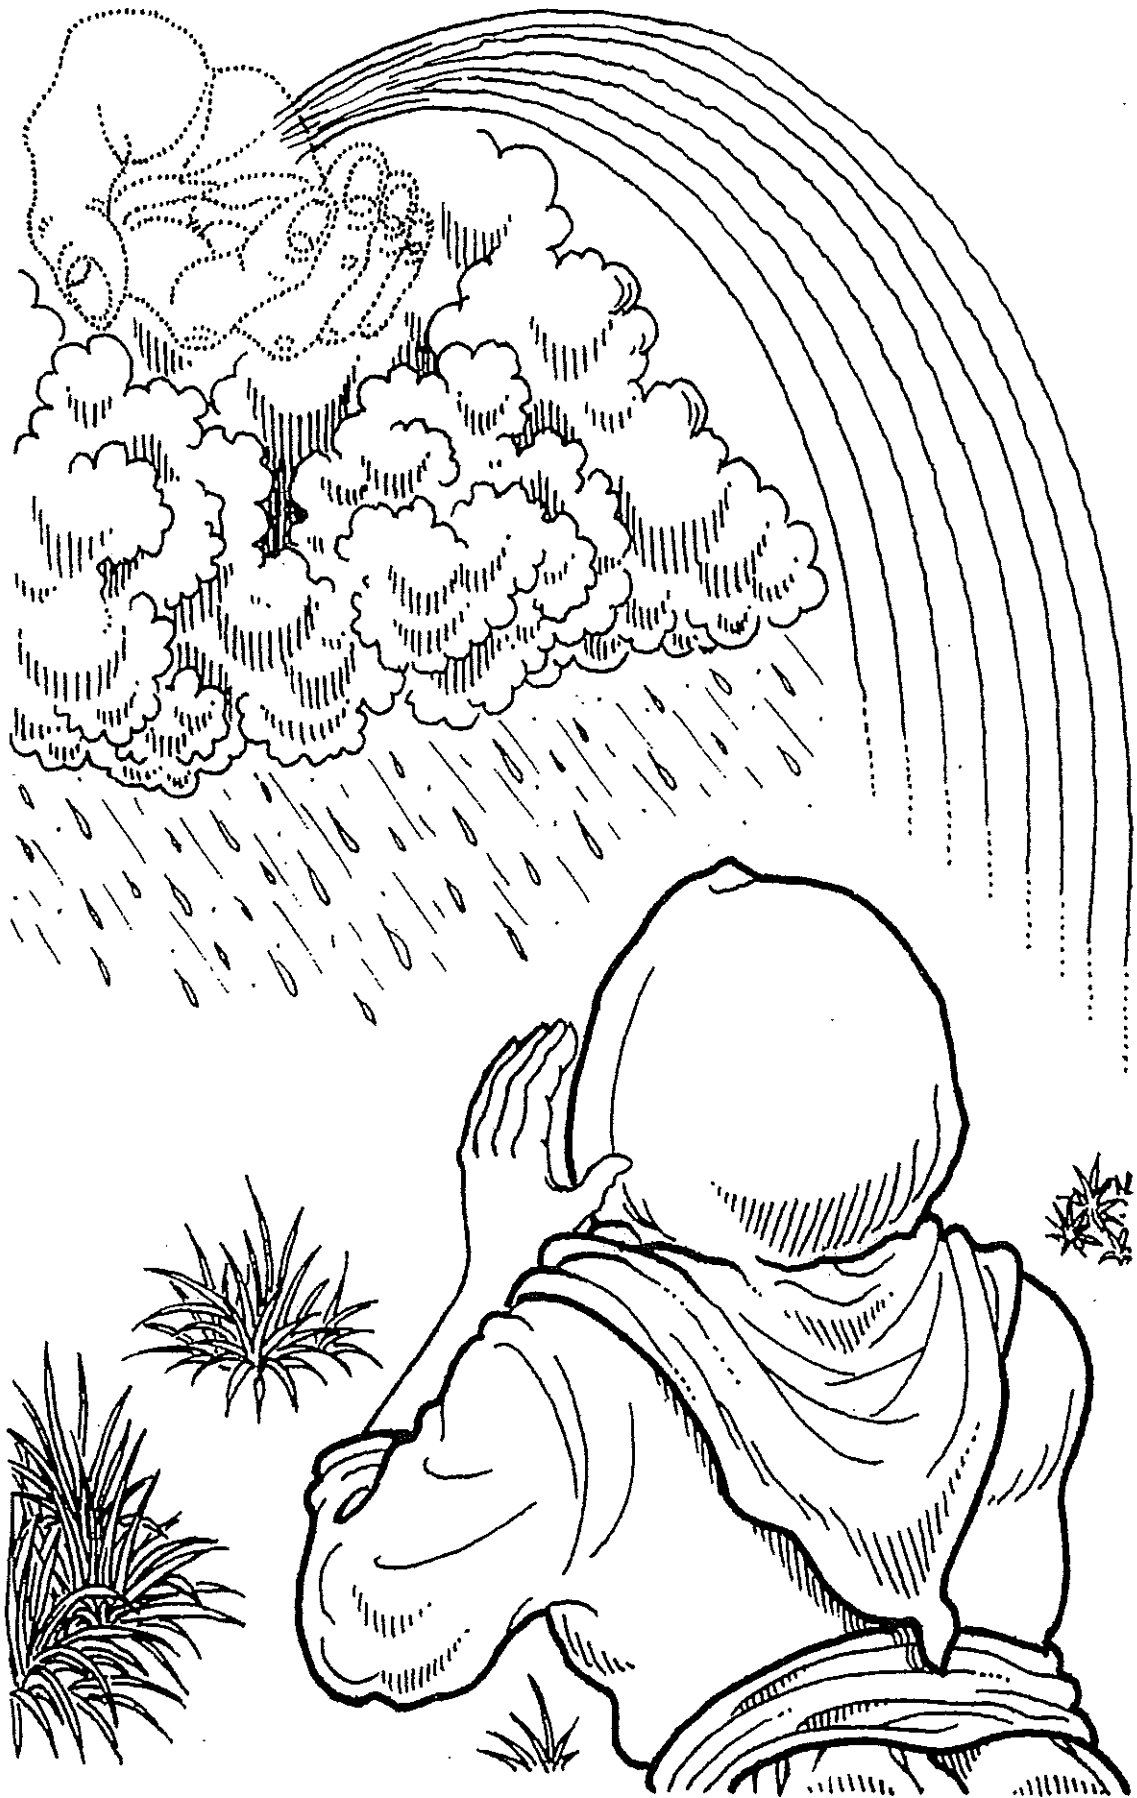

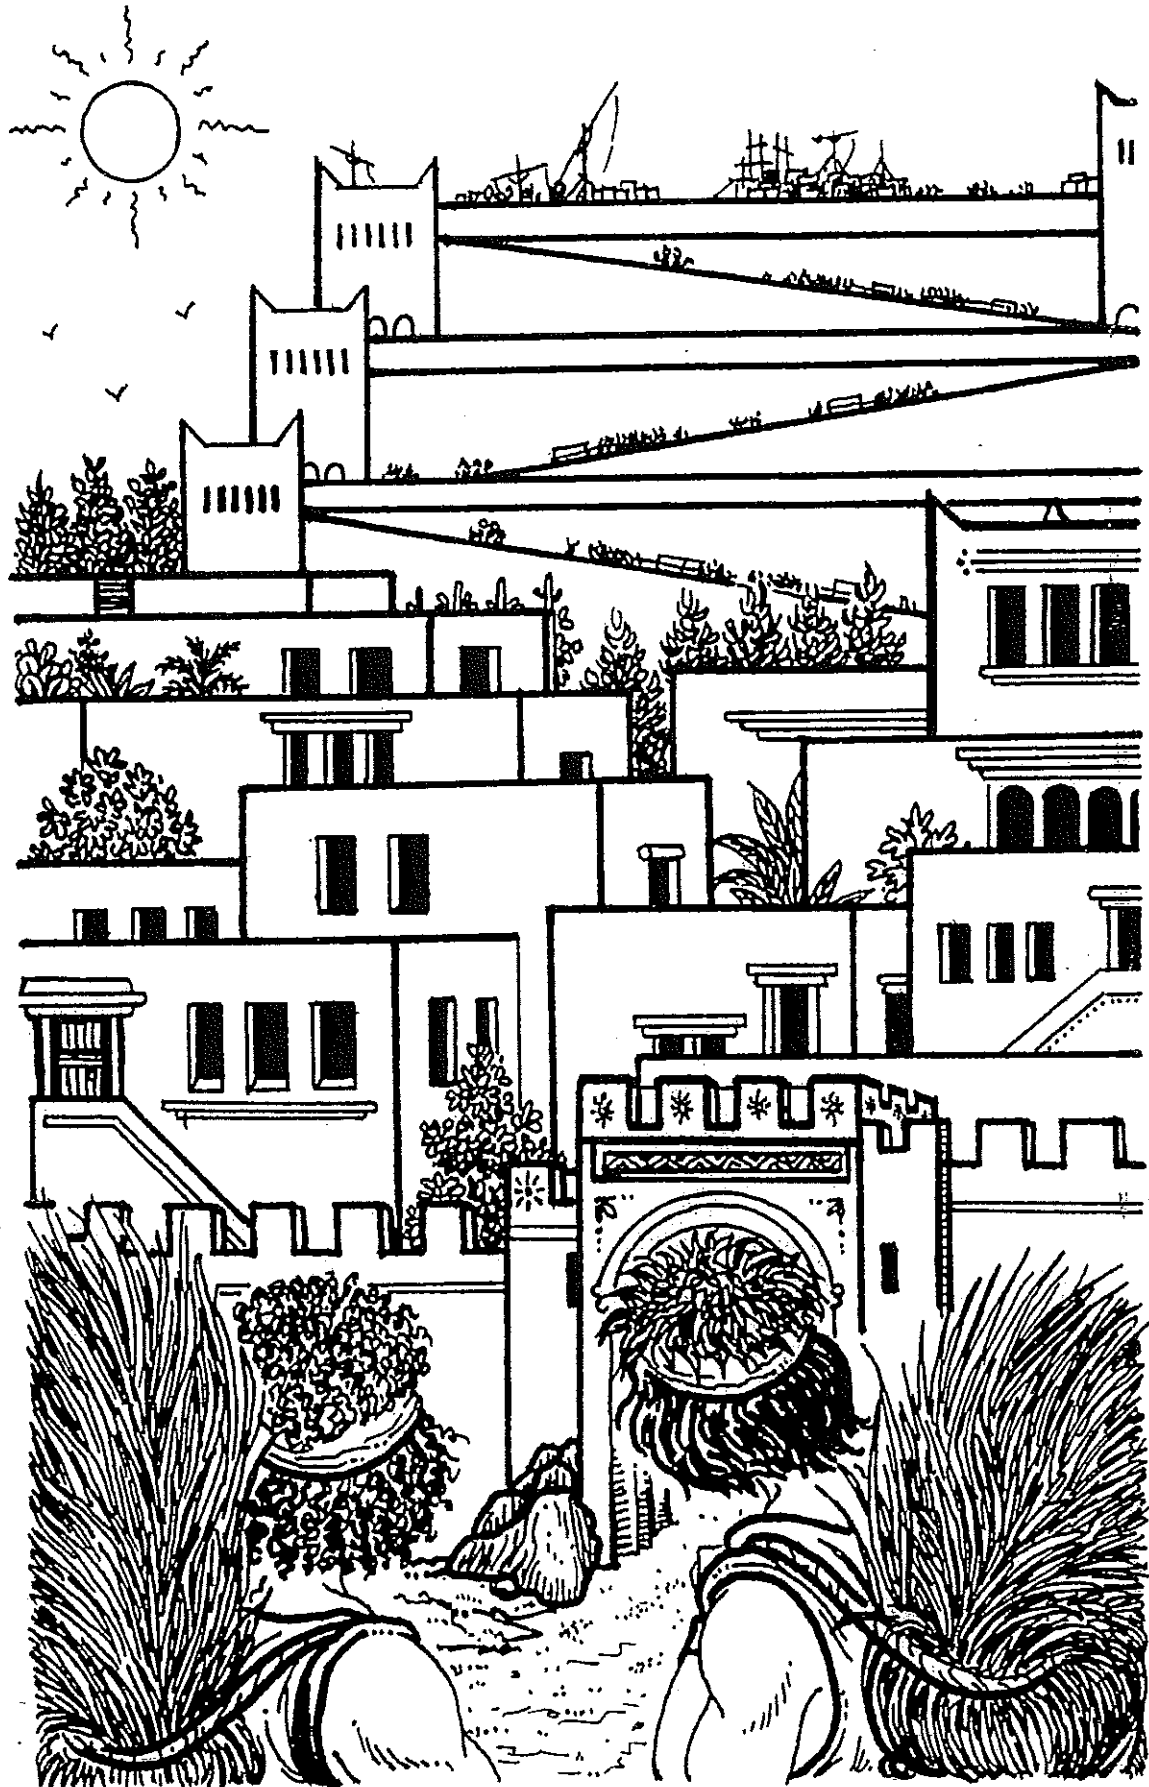

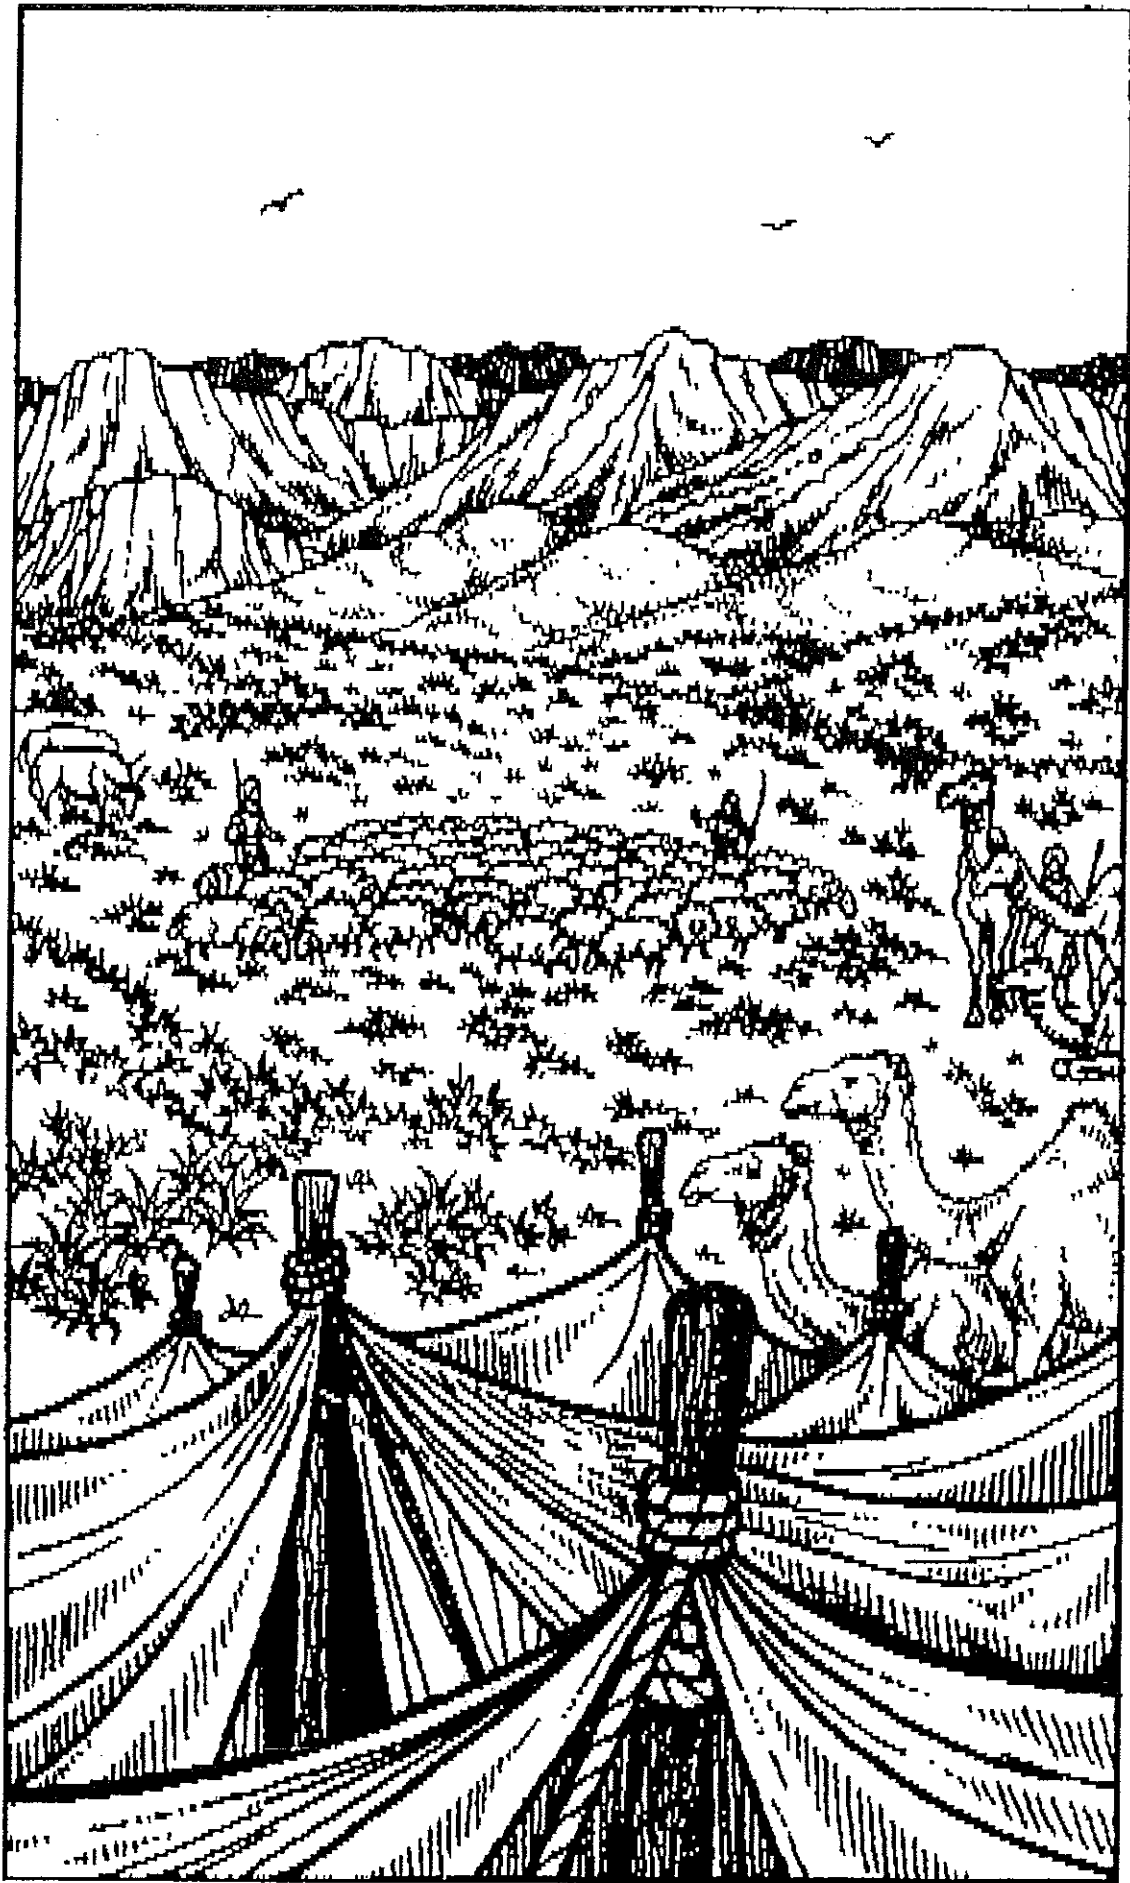

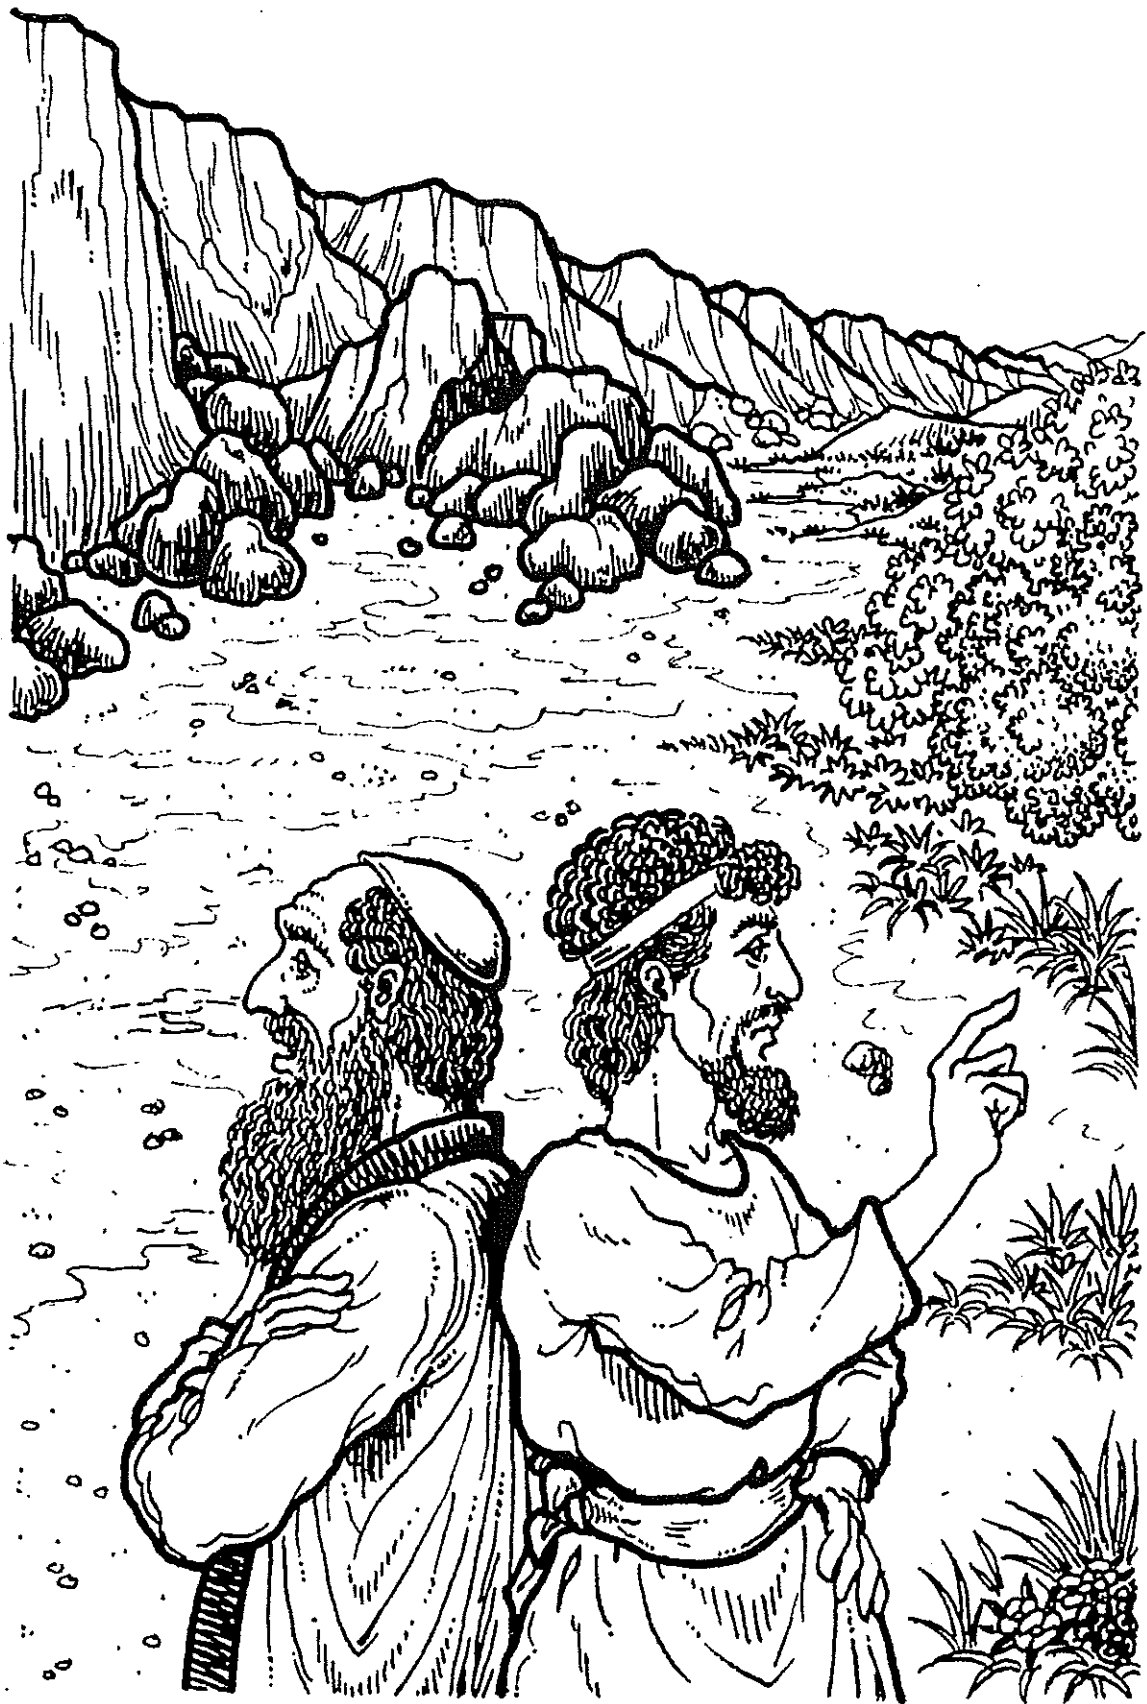

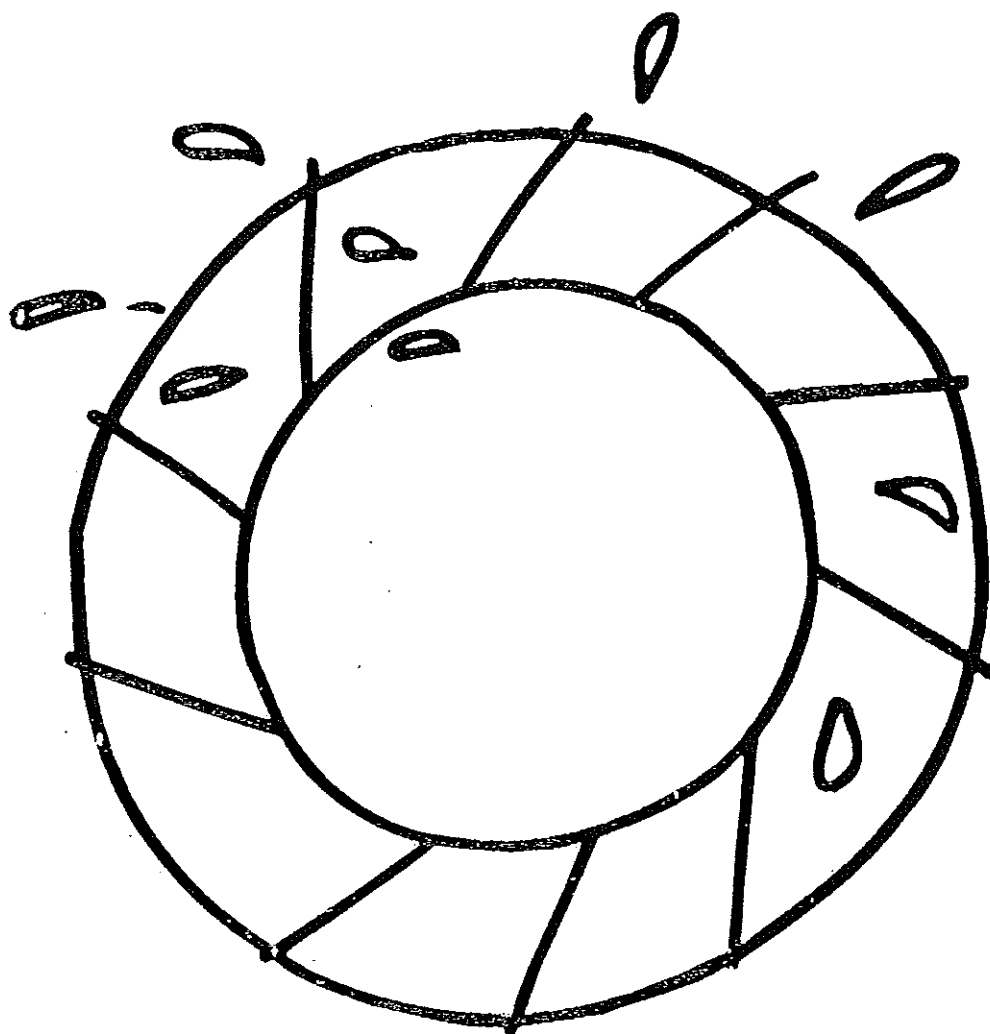

Jij hebt naar mij geluisterd
